Philippine Market Entry

Find suitable Philippine buyers and plan a realistic entry.

TWO WAYS TO START

Philippine buyer appointments

From $300

5-meeting paid trial; 20-meeting campaign $1,200 if the buyer pool and demand are suitable.

Philippine market assessment

From $800

Feasibility study; full market entry support with buyer introductions from $2,000.

WE CAN HELP WITH

- Identify Philippine importers, distributors, wholesalers and business buyers.
- Research the people responsible for purchasing decisions.
- Approach qualified contacts, arrange meetings and track buyer feedback.
- Assess competitors, actual market price ranges and distribution channels.
- Research relevant import or documentation requirements.

WHICH SERVICE FITS YOU?

Already know your target buyers? Start with a smaller appointment-setting campaign. **Need to assess the market first?** Begin with a feasibility study. The broader package can include research, targeted introductions and appointment setting.

PRICING & FIT

We review product demand, target buyer availability, ICP complexity and research requirements before confirming a fee. Specialist or sensitive buyer groups, or extensive regulatory research, may need a custom proposal. Meeting and payment terms are agreed in advance.

Your initial 30-minute consultation is free and focuses on scope and feasibility.
